Subject: QUESTION- Your priorities today

Hi Joe:

I am done with the draft letter for Greenidge. Do you think that it would makes sense to send it to you now, so that, I will have your comments before Monday. It is less than 3 pages letter. Anyway, if you do not have time for it today, it would fine, I did not get a sense of a big rush about it from my boss.

Please let me know as soon as you can.

Regards, Viorica
